Summer Course in:

Early Childhood Special Education

EEC 606: Special Topics: Appropriate Services for Culturally and Linguistically Diverse Children in ECSE

Do you find yourself working with many young children whose home language is not English?

Do you find yourself wondering what to do because you only speak English?

Do you know what research can inform best practice?

Do you know what is different about bilingual development?

Do you wonder how to tell the difference between developmental delay and normal stages in second language acquisition?

This is the class for YOU!

EEC 606: Special Topics: Appropriate Services for Culturally and Linguistically Diverse Children in ECSE (3 graduate credits)

Participants will learn evidence-based assessment and intervention practices with culturally and linguistically diverse young children and their families. This course will also cover the research that investigates which educational programs produce the best long term academic outcomes for English Language Learners and how this body of research can inform practice in Early Childhood Special Education with children birth through age 6.

Class will be held Monday, Tuesday, Wednesday and Thursday June 18 - 29 from 12-4:30 P.M. on the Minnesota State Mankato Campus in Armstrong Hall 330.

Cost for the course is $886.38 for Minnesota Residents and $1,399.86 for non-residents.
