

Master of Science options in the Department of Educational Leadership

The MS in Educational Leadership is for working professionals or fulltime graduate students who are interested in exploring their passions for leading in a variety of educational settings. Courses are focused on leadership, ethics, organizational change, research, racial equity, program evaluation, and project-based learning. The majority of courses use hybrid formats that balance face-to-face meetings with asynchronous online activities. Learn more: <http://ed.mnsu.edu/edleadership/msedleadership/>

- **Offered at the Edina metro site** on Saturdays, hybrid, usually 5 meetings throughout the semester.
- **Offered at MSU, Mankato** on weeknights, mostly hybrid, usually 7-8 meetings throughout the semester.
