Facilitator Information

PREJUDICE REDUCTION WORKSHOP

Be a Prejudice Reduction Workshop Facilitator! Present a custom-designed curriculum to Greater Mankato public and private school K-12 students and other audiences to help foster mutual respect. Work throughout the year to create safer, more welcoming schools and a more inclusive community.

Prejudice Reduction Workshops help people accept each other by understanding the differences that make each of us unique and the similarities that make us all part of the human family. The workshops combine engaging discussion, short multimedia presentations and fun, hands-on activities.

Facilitators will be compensated and receive all necessary training, including classroom instruction, observation, and co-facilitation with an experienced team member. Training is offered each fall outside of business hours on weekends and in the evening. Contact the Greater Mankato Diversity Council for more information.

To apply, complete and send the attached application form to:
