

Application for Admission into the Professional Education Program
College of Education – Minnesota State University, Mankato
Academic Advising Office – AH 117

All teacher candidates entering the teaching profession for the first time must apply and successfully complete all following requirements to be admitted into professional education, including the My Writing Lab. The purpose of the My Writing Lab system is to assess your written communication skills. Based on the results you may be referred to participate in one-on-one tutoring with a graduate assistant in the College of Education.

Note: The deadline to complete all requirements for admission into the Professional Education Program is the **FIRST FRIDAY IN MARCH** for registration for Professional Ed. designated coursework for Fall semester.

Materials you will need:
