**Admission to Professional Education**

All students working toward a Special Education: Developmental Disabilities teaching degree must be admitted to Professional Education prior to enrollment in BLOCK 1 coursework (while taking Pre-Block classes). Application to Professional Education should be made when the following requirements have been met:

1. Completion of 40 semester credit hours  
2. A minimum 2.75 Cumulative GPA  
3. Evidence of completion of the Praxis I (PPST) tests  
4. Completion of General Education Pre-Requisite classes

**Professional Education Application Procedures**

**Admission to/ Continuation of the Special Education Blocks (1-4)**

Students must demonstrate academic performance that meets the minimum expectations set by the program in order to continue to take major Block classes. Specifically, students must maintain a cumulative minimum GPA of 3.0 and earn at least a grade of “C” or higher in all major coursework. Special Education program faculty monitor students’ progress and determine program continuation each semester.

**Application for Graduation**

In order to graduate (different than participating in Commencement), students must apply for (graduating with) their degree. In order to allow for sufficient time to evaluate an application for graduation, *undergraduate students should apply no later than one calendar year prior to the expected graduation term*. Further, Applications for Graduations are due absolutely no later than two weeks (14 calendar days) prior to the last day of a given term. Applications received after the deadline will not be evaluated for that term and will be moved to the next term.
