## Graduate Teaching Fellow Application

### Eligibility Requirements for Graduate Teaching Fellow Application

- Appropriate Minnesota teacher licensure by August 2026.** Needs completion of (1) Bachelor of Arts or Bachelor of Science Teaching degree, (2) all required testing (if needed), and (3) submitted application for license. (Candidates selected for this program **must** submit a copy of their Minnesota license as proof of eligibility to begin the Graduate Teaching Fellowship before by August 2026.)
- Earn a 3.0 overall/cumulative grade point average**

### Submit 1 copy of the following information to:

Angie Navejas  
Minnesota State University, Mankato  
118 Armstrong Hall  
Mankato MN 56001  
OR  
[angie.navejas@mnsu.edu](mailto:angie.navejas@mnsu.edu)

- Completed application form, including personal statement (below)
- Résumé
- Supporting materials (2) (teaching experience evaluations or letters of recommendation from mentor teacher and/or university supervisor)
- unofficial copy of undergraduate transcript
- Copy of Minnesota teaching license, proof of application for Minnesota teaching licensure, **or** statement for becoming *eligible* to apply for teaching licensure.

*Candidates may apply for the Fellowship program and accept offers **while** their application for MN teacher licensure is in process/pending [in process/pending = candidates will have successfully earned a degree from an accredited teacher preparation program and will have been recommended for licensure.] NOTE=Candidates who answer “Yes” to any question on the Conduct Review Statement within the license application may experience delays in receiving their licensure.*

**Once offered and accepted a Graduate Teaching Fellowship candidate will apply for admission to Minnesota State University, Mankato’s College of Graduate Studies.**

## **College of Education Vision and Commitment:**

**Vision:** The College of Education is a community engaged in anti-racist, anti-oppressive practices striving to advance social justice and equitable outcomes leading to measurable growth.

**Commitment:** We support, prepare, sustain, and make meaningful contributions that cultivate anti-oppressive change. Through culturally sustaining, anti-biased, anti-racist practices, we foster educational environments that promote diversity, equity, inclusion, and belonging in response to the needs of our institutional partners and the broader community. Our collective work is guided by our belief in each other, our collaborations, our scholarly work, and practitioner engagements.

## **Personal Statement:**

In a separate document, write a statement summarizing your teaching skills, qualifications, graduate school aspirations, and reasons why you should be selected for a Graduate Teaching Fellowship with Minnesota State Mankato and the Minnesota Educators Partnership. Please include a statement of how your preparation and actions as an educator align to our College of Education's Vision and Commitment.

*Write carefully as your style, content, written expression, and organization will be used to help advance your candidacy from the application stage to interview stage. Please limit your statement to no more than 500 words. You may include the Personal Statement as an attachment to this application.*
